

THE CIS ANNUAL CONFERENCE

The Critical Industry Society (since 1929)

"providing products and services vital for society to function and the economy to flourish"

The CIS Annual Conference 2026 will tackle the **Challenges of a Changing Construction Market.**

With speakers from the **energy, logistics and raw materials** sectors, they show how these people connect to ensure the efficient and reliable delivery of goods and services.

Industry captains come together to share their knowledge and expertise.

Mix with **like-minded people** from your supply chain in a professional, friendly environment.
